To complete the application, please answer the MANDATORY questions  
on the back of this form.

## **Academy Application Questions**

**Please answer the following five questions (3-5 pages)\***

1. What does your community hope to gain from participating in the CTI Transportation Academy? Discuss specific ideas and expectations for improving transportation resources in your community.
2. Describe the transportation challenges facing your community: geographic boundaries, mobility-challenged populations, transportation service gaps, barriers to service coordination, etc.
3. What would you describe as the strengths of your team?
4. What other resources could be made available to help your team meet the mobility needs of your community: e.g., transportation service providers, financial resources, advocates, etc?
5. In what transportation planning and coordination efforts are your team members currently involved: e.g., Transportation Advisory Committees, city/county planning efforts, community visioning, participation on boards?

\*Please attach any relevant materials that help answer the above questions.\*
